

“**THANK YOU FOR
NOT GIVING UP ON ME**”
HANNAH'S STORY

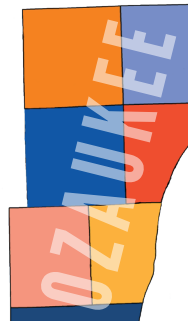

After days of carefully planning her escape, Hannah arrived at Advocates of Ozaukee in the middle of the night. Hannah is 25 years old and a victim of sex trafficking.

Hannah's nightmare began when she was homeless. She posted on Facebook that she needed a roommate, and a man contacted her claiming he had a room to rent. Hannah didn't know it then, but from the very first time she walked through the door to meet him, she would not be able to leave.

Hannah made a courageous and terrifying choice one night and left in secret while her trafficker was working third shift. Advocates gave her a safe place to stay, provided counseling and helped her make a police report. After her trafficker was criminally charged, Advocates helped to facilitate her admission to an out-of-state treatment facility and continued to provide support to Hannah. She remains in close contact and expresses immense gratitude towards Advocates of Ozaukee.

"United Way of Northern Ozaukee is very instrumental to so many people. For generations, people of all ages have counted on United Way and their partners for assistance. For us, it's about neighbors helping neighbors and United Way is a shining example of this. Our tight-knit community has been a great place to raise our girls and we know we can count on its support to assist those in need. We are honored to be able to play a role in United Way's mission."
